Italian Movie Night 5 featuring the movie

Il Postino/The Postman

presented by Domenico Tancredi.

Il Postino/The Postman, a drama/romance film, tells a fictional story in which the real life and famous Chilean poet Pablo Neruda forms a relationship with a simple postman who learns to love poetry. Neruda, banished from Chile for political reasons, became a guest on a small Italian island. The Post Office assigned him a postman, Mario Ruoppolo, a unemployed son of an impoverished fisherman. Mario, though poorly educated, through the daily encounters with Neruda, begins to adore poetry, especially Neruda's love poems. He then uses this new talent to win Beatrice, the local beauty.

There will also be a short presentation to introduce the movie. And of course, there will be "snacks"!
