College Funding

The seminar will discuss how parents of **college-bound high school sophomores & juniors** can receive \$2,500-\$25,000 per year that most don't even know about. The seminar will cover:

- Why some middle-class and upper-middle class parents pay close to nothing for their children's college education.
- How to double or triple eligibility for financial aid.
- How to pick the college that will give the most free money, less loans.
- How to get the maximum amount of money from each school.
- Little known ways to position one's assets, maximizing the aid one would get.
- How to fill out complicated application forms accurately to avoid costly mistakes. Also, find out why 90 percent of these forms are filled out wrong.
