# COLLEGE FUNDING SEMINAR

**Tuesday, April 24th  
7:00pm**

This free seminar will discuss how parents of college-bound high school sophomores and juniors can receive \$2,500 - \$25,000 per year that most don't even know about.

The seminar will cover:

- Why some middle-class and upper-middle class parents pay close to nothing for their children's college education.
- How to double or triple eligibility for financial aid (this technique has increased families' eligibility by \$10,000).
- How to pick the college that will give the most free money, less loans.
- How to get the maximum amount of money from each school.
- Little known ways to position one's assets, maximizing the aid one would get.
- How to fill out complicated application forms accurately to avoid costly mistakes. Also, find out why 90% of these forms are filled out wrong.

Join Alvin G. Newell, Vice President of Solutions for College Funding, Inc., as he explains what every parent should know about getting maximum financial aid funding for their college bound children.
