Nuovomondo (New World)/Golden Door

presented by Domenico Tancredi. Rated: PG-13

Nuovomondo (New World)/Golden Door is a drama film from 2006 in Italian and Sicilian, with English subtitles. It is about the Mancuso family immigration journey from a small village in Sicily, Italy to New York City, USA, around the turn of the 1900's.

The Mancuso family symbolizes the millions of Italians who migrated throughout the world. Today, in fact, in Argentina, Brazil and the United States alone there are more than 64 million descendants of Italian migrants; that's more than the current population in Italy, which is fewer than 60 million people.
